Exposition Essay Contest Furthered

County chairmen of the Committee for Women's Participation in Exposition Activities, functioning under the women's board, and of which Mrs. Alfred McLaughlin is chairman, are meeting in their various counties next week to discuss plans for co-operative effort in the development of the exposition program.

Mrs. H. S. Dana, chairman for San Mateo County, is launching the essay contest sponsored by the women's board in San Mateo County through the medium of her essay committee of which Mrs. E. S. Miller is chairman, and which includes Miss Pansy Jewett Abbott, county superintendent of schools; Dr. Lester D. Henderson, Mrs. Hassell W. Smith, Henry C. Hall, Dr. A. E. O'Neill, Charles J. Ledwith, Miss E. Gertrude Cook and Charles S. Morris.

Purpose of the essay contest is to give an opportunity for youth to become familiar with pertinent facts pertaining to the Pacific area and to stimulate interest in the exposition as a "Pageant of the Pacific."

'Loyalty Days' This Week-end

Redwood City churches, along with other religious organizations throughout the nation, will observe Loyalty Days this Saturday and Sunday, Oct. 1 and 2.

As an important step toward regular attendance at services of worship, this "mobilization of spiritual forces" is set at this time annually because it follows the Summer vacation and, in effect, is the opening of the Fall season for churches.

Every citizen is cordially invited and every member confidently expected in a house of worship on either Saturday or Sunday, according to local ministers.

"Every member present or accounted for" is the goal.

Co-operation of sympathetic civic, professional, business and fraternal organizations is requested in the annual observance of these days, which are a non-controversial civic effort of Protestants, Catholics, Jews and other citizens.

General sponsor of the nation-wide movement is the National Committee for Religion and Welfare Recovery. It is composed of more than 500 Catholics, Protestants and Jews, including 75 bishops, 65 pastors, priests and rabbis, 179 college presidents or other educators, 147 officers of churches and benevolent boards and more than 100 leading laymen, "co-operating to meet the present-day sweep of secularism, materialism, and racial and religious prejudice by bringing the minds and hearts of men back to the consciousness of the fatherhood of God, the brotherhood of man, the sanctions of religion, the services of worship and more adequate financial support of our religious, educational and character-building institutions," according to a statement of the national committee.

Regular Service On New R. C. Bus May Be Dropped

Announcement was made here by Walter Vandervort, operator of the Redwood City Bus Line, that all services in the city, with the possible exception of two commuter trips in the morning and one in the evening, will be discontinued after Oct. 6 unless new support before then warrants continuance.

Support of the line, which includes a schedule of 26 complete trips on two routes each day, has been so poor, Vandervort said, that it is not feasible to continue operations. He will continue to run the Middlefield Road bus, which he also owns, he declared.

In a conference with City Manager Charles L. Dimmitt yesterday, an effort was made by Vandervort to determine if the city had any definite stand in the matter and if it would consider backing the line. Manager Dimmitt and Mayor Louis C. Christensen, when questioned, said they thought it unlikely that the city would find itself able to branch into such a service.

However, Manager Dimmitt and Vandervort agreed that if possible the three commuter runs should be maintained. Vandervort said that it would be possible to accomodate commuters as an adjunct to the Middlefield Rd. line. Those runs meet the 7:18 and 7:46 departing trains in the morning and the 5:50 returning train in the evening, which carry the heaviest traffic.

Eliminated today were round trip tickets on the bus. It is now necessary to purchase a 10-cent ticket for each ride, Vandervort said.

Storm Drainage Improvement Asked

ATHERTON, Sept. 28—Estimates on the cost of improving storm drainage at two key street intersections in Atherton were requested from the city engineer by the Atherton council yesterday. The improvements are proposed to relieve overflows at the intersections of Atherton and Ellena Aves. and Watkins Ave. and Middlefield Rd.

City Engineer James S. James will report at the next council meeting. Funds are included in the 1938-39 budget.

Two requests to set aside city building and zoning ordinances to permit building on lots that do not conform to the city's regulations were refused by the council. The requests were made by J. M. Jacobi of Tuscaloosa Ave. and G. C. Jackson of Linda Vista Ave.

A message of condolence was ordered sent to the family of the late Arthur H. Redington, former city attorney of Atherton.

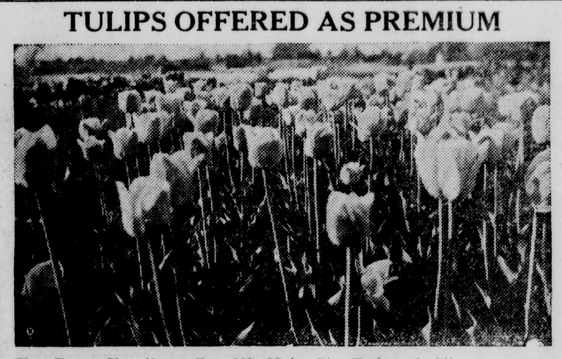
TULIPS OFFERED AS PREMIUM



The Ryan Furniture Co., 837 Main St., Redwood City, announces that the Spring-Air Mattress is celebrating the 16th anniversary of its product this Fall by making a gift offering of Dutch Tulip bulbs in a colorful Rainbow Collection, and that the local store has been allotted a sizeable quantity for distribution here. General offices of the Spring-Air Mattress are located in Holland, Mich., a city world-famous for its annual tulip festival. W. D. Ryan, head of the furniture store, said the bulbs are now on hand.

Food Handlers Now Inspected

The bulletin of the San Mateo County Department of Public Health and Welfare issued today for the week of Sept. 24 stressed the importance of regular inspection of food establishments.

"Regular inspection of food establishments and food handlers is one division of service to the people by the public health department," said the statement signed by Dr. Charles C. Gans, health director.

"San Mateo County has such a division in the county public health 'setup.' A most important factor in 'food inspection' is physical examination of food handlers, in which service the San Mateo County Department of Health and Welfare is now engaged."

Objectives of the service, Dr. Gans explained, are supervision of premises where food or drink is manufactured or handled; maintenance of premises in a sanitary manner, and examination of persons engaged in handling foods to make certain that they are clean and free from communicable disease. Employes, buildings, utensils, refrigeration, and storage facilities are the most important items, he said.

Only four new cases of communicable disease were reported for the week, one in Redwood City, one in Burlingame, one in Millbrae and one in the rural Menlo Park area.

Fiesta Gate Receipts May Reach $14,000

Admission fees for the 1938 San Mateo County Fiesta will total between $13,500 and $14,000 it was estimated here by County Treasurer A. H. Sagehorn. While official figures have not been computed, Sagehorn predicted a favorable showing compared to last year's paid admission total of $8563.25.

He pointed out that the rodeo admissions were included in this year's estimate, making it impossible to compare the attendance figures at this time.

MENLO PARK NEWS

Menlo Parlor, Native Daughters of the Golden West, will give a card party at the Central School Oct. 6.

The Menlo Park Republicans are buckling on their armor for a stiff campaign for John Z. Anderson, nominee for Congress in this district. There is hardly any doubt of his election, owing to the big showing he made at the primaries.

Anderson has announced his campaign committee in San Mateo County. His representative in Menlo Park will be George Walsh, who was in charge of Anderson's primary campaign.

Miss Marie O'Connell, the pretty and talented local grammar school teacher who became the bride of Franklin Durkee of Palo Alto last week, will reside in Stanford Park, where her husband has provided a cosy home. She will continue her teaching for the present.

It is surprising what little interest was taken in the bond election held on Tuesday. Only about 25 per cent of the voters came to the polls to exercise their franchise in an issue to raise $15,000 for a new city hall and play grounds. The total vote was 531. Of this vote 252 voted yes and 279 no. The light vote may be accounted for by the fact that very little campaigning was done on either side of the issue.

T. P. Maloney celebrated his birthday anniversary at his cabin near Coon's Bridge last Sunday. Many old friends in Menlo Park attended the festive affair. Mr. Maloney will retire from the San Francisco Police Department this year after serving more than 30 years. Maloney will probably pass his declining years in the community where he first saw light.

Mr. and Mrs. Russell Buchannan will shortly move to Santa Barbara, where Mr. Buchannan has been appointed principal of the State Teachers' College.

Miss Carmel O'Keefe entertained a number of friends at luncheon at her home on Oak Grove Ave. Tuesday. Among those present were Mrs. J. Ovelin, Oakland; Miss Ruth Ruggard, Sacramento; Miss Eleanor Wheeler, St. Helena; Mrs. Pauline Smith, Los Angeles, and Mrs. Charles O'Gara, San Francisco. Miss Lorraine Debenedetti, San Mateo, assisted Miss O'Keefe in receiving the guests.

Catechism classes were resumed in the Church of the Nativity last Sunday. Classes will be taught in Las Lomitas and Runnymede. Father Thomas McKeon is constructing a building in the latter place for the children in that locality. The Sunday classes here will be taught after the 8:30 o'clock mass and will be in the charge of Father McKeon and three students from St. Patrick's Seminary.

Sound Film Machine Secured at Sequoia

To be used in classroom instruction, a sound motion picture projection machine has been added to the equipment at Sequoia High School. The new machine will make it possible for the faculty members to use sound as well as silent educational motion pictures prepared especially for instruction of sciences, history and English.

In an average 2½ hour moving picture the eye sees 200,000 separate pictures.

Werder will give a five-minute talk on his home town. Several years ago, Charles G. Lambert, another local realtor, placed first in a similar contest. This year Lambert will lead community singing at the affair.

Also planning to attend are Werder's father, L. E. Werder, and Henry Witte.

BETTER LIGHT BETTER SIGHT

Begin LIGHT CONDITIONING THIS EASY WAY!

One way to start Light Conditioning is to replace every burned-out or blackened bulb and fill every empty socket with a bright, new MAZDA lamp. Use MAZDA Three-Lite bulbs in your three-light Better Sight Lamps and fixtures.

Every lamp that is used for reading, studying, or close seeing work should be equipped with at least one 150-watt or a three-light MAZDA lamp bulb to provide plenty of light for safe seeing.

Millions of families are now using Better Sight Lamps of this type. Equipped with a 150-watt or a three-light MAZDA lamp bulb an improved lamp like this actually gives far more useful light for the same current than many old-fashioned, dark-shaded reading lamps.

Unique Test Made Of Leading Tires

Results of an interesting test of first line tires recently made by the Lee Tire & Rubber Co. were reported here yesterday by C. A. Gibbens, manager of the Commercial Tire Co., local distributors.

The Lee firm purchased the latest first line tires produced by five large companies, Gibbens said, and placed each on a U. S. Bureau of Standards Test Wheel. Each was started off with the weight it was built to carry and was run at a rate of 50 miles an hour. All tires were inflated to the same air pressure.

At the end of each 500 miles, an additional weight of 174 pounds was added and each tire was run until it blew out.

The Lee outran the average of the other tires by 153 per cent and the Lee was 143 per cent overloaded when it blew out, according to Gibbens.

Weeds are ranked second to erosion in damage to American farms and are responsible for an annual loss estimated at $3,000,000,000.

The average southern farm is 106 acres. The average in the rest of the U. S. is 205 acres.

Safety Promotion Undertaken by Club

Adopting the promotion of safety as one of its club activities, the Redwood City Exchange Club Tuesday appointed a committee to determine best ways and means of promoting safety in this vicinity. Named on the group by Pres. J. A. Buhler were A. R. Boyer, Leo Fuller, Clement R. Baume and James M. Eva.

The club also decided to erect a "thermometer" on which would be recorded progress of the coming Community Chest campaign.

Service pins, given for enlistment of two or more members into the club in a year, were presented to President Buhler and Boyer.

Fish Meal Problem Again Irks Belmont

BELMONT, Sept. 27—Belmont's perennial fish meal fertilizer problem cropped up again last night at the city council meeting when a petition signed by some 20 residents was presented asking the board to take action to abate the nuisance caused by use of the malodorous material.

After talks by Frank O'Brien and Mrs. O. J. Husmann, and an hour or so of discussion, Councilman L. A. Barrett, acting in place of Mayor Harold Danforth, who was absent, named a committee consisting of E. G. Morrison, C. J. Messner and himself to study the problem and bring back a recommendation looking toward a final satisfactory solution of the problem.

Other business included consideration of application of Jay Gould of Menlo Park to hold semi-weekly dances at the legion hall. His application was taken under consideration.
